This new five-day course “Training Delivery and Evaluation” 6N3326 award will equip the nurse/midwife with the knowledge, skill and confidence to plan, deliver, access learning and evaluate training provision. This course would suit every nurse/midwife working with student nurses in a clinical learning environment and also in centres of nurse education.

A wide range of training methods, including role-play, small group work, case studies, action learning and forums will be used to enhance the learning process. The course aims to foster and share the rich and diverse knowledge and skills of participants whilst providing them with the expertise and confidence to impart their knowledge effectively.

The course is delivered over five days from 9.30am to 5.00pm each day.

This training will lead to QQI Level 6 component certificate in Training Delivery and Evaluation (formally Train the Trainer FETAC 6) and it carries 15 ECTS (European Credit Transfer and Accumulation System).

Fee covers refreshments (light lunch of tea/coffee and sandwiches), course materials plus QQI administration and examination fee. Throughout the programme, trainer support is also available for each nurse/midwife attending the course.

This programme is also Category 1 approved by the Nursing and Midwifery Board of Ireland (NMBI) and awarded 34 Continuing Education Units (CEUs).
