

Continuing Professional Development for Nurses and Midwives

On-site Education

Bringing INMO Professional Development Education Programmes to YOUR workplace

WHY CHOOSE US?

- More than 100 tailored education programmes
- Highly skilled, expert facilitators
- Training provided throughout Ireland
- One and two-day programmes
- Category 1 approved by the NMBI with CEUs
- Certificates, course packs and materials provided

UPDATE CPD / SAVE TIME / CUT COSTS

The Professional Development Centre has an extensive range of quality education programmes provided by expert facilitators that can be delivered to you directly on-site. On-site education is a more cost and time effective solution for your educational needs. Our fees are based on 'per day' rather than 'per person', with no other additional costs, which makes our education affordable and available to all.

Contact the Professional Development Centre on 01 6640642 or email marian.godley@inmo.ie with your education needs.

BENEFITS OF ON-SITE EDUCATION

QUALITY CONTENT:

On-site programmes feature the same high-quality content you have come to expect from us, and all of our on-site programmes are written by subject matter experts.

SAVE TIME AND MONEY:

Sending your staff out for education costs your organisation time and money. Save time on travel and hours away from work by bringing the education on-site to your chosen venue.

CONVENIENCE:

Finding a good time and location to educate your staff can be a challenge. With on-site education, you pick the time and location that works best for your organisation.

CUSTOMISED:

On-site programmes are fully customisable to your organisation. Courses can be modified, combined or written specifically to meet the needs of your group. We will help you build a relevant, engaging curriculum that ties in directly to your needs and your staff. Your group will receive education in the areas they need most.

TEAM EDUCATION:

On-site education is open to all your staff. Each nurse and midwife who completes any of our education programmes receives a certificate approved by NMBI with CEUs.
